MagnaBrite Magnifiers

Crystal clear round focus-free dome magnifiers. Great for stitchers and not-stitchers alike; these are the greatest little magnifiers! Made in the USA. Both sizes magnify 4X. Comes with a storage bag.

To keep your Magnabrite from scratching, use common furniture

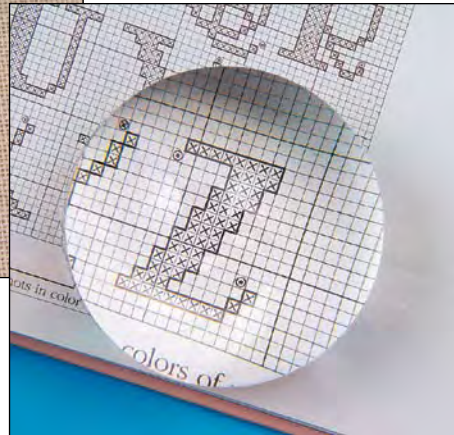

polish, spray it on and rub it with your finger until it turns to a clear liquid. Allow it to dry a few minutes and rub with a tissue or soft rag.

Snag Nab-It

Handy little tool to catch snags or wayward threads and take them to the back. Only 2 3/8" long with a needle point. Half the tool is textured which is what catches the thread. Poke through from the front to capture the snag or thread, put through to the back and rearrange the fibers to cover the hole. Dime not included. From Prym-Dritz.

Economy Oval Paperweight

Machine formed, this is an affordable alternative to the hand-formed glass paperweights. Some small bubbles, ripples, and flaws are to be expected in glass items. The exterior is slightly irregular in shape. 1/8" recessed bottom allows you to insert needlework, artwork or photos. Comes with precut cork backing and a Pres-On insert. Design size 4"x 1¾".
