

# Journals

Attractive and colorful sturdy covers wire bound with premium bright white heavy weight acid-free paper inside. Available in four styles and six coordinated covers: graph books, lined journals, sketch books, and blank/lined journals. Cover designs include three scenes from the famous medieval "The Lady and the Unicorn" Tapestries, woven c.1500, and represent the six senses. Colorful cross stitched sunflowers, a scene from outside Siena, Italy, and a Renoir painting complete the selection of journal covers. From Fun Things!

## Graph Books

Perfect for stitchers, interior designers, realtors, artists, landscapers, and anyone else wanting to use graph paper, this handy size wire bound book contains 140 pages. 35 each of 10 count and 14 count graph paper, with lined pages opposite each graphed page. Printed on bright white, heavy weight, premium acid-free paper. Archival quality. From Fun Things! by Yarn Tree.
