Jar Puff-Ups

Jar Puff-Ups are used with canning jars to give a padded look to cross stitch or other needlework mounted in the jar lid (for decorative use only--do not use for canning). Small puff-up is one 2 5/8" adhesive on 2 sides circle and one 2 1/4" foam adhesive mounting circle. Large puff-up is one 3 1/4" adhesive on 2 sides circle and one 2 7/8" foam adhesive mounting circle.

3335 Large jar puff-up	1.16

Adhesive Circles

Precut cardboard with adhesive on one or both sides. Bulk packaged (not individually packaged). From Pres-On Products. Pack of 25.

7557 3", 1 sided adhesive	4.20
7562 2 5/8", 2 sided adhesive	4.52

Foam Mounting Circles

From Pres-On Products. 3/8" thick foam circles with adhesive on the foam. Use for puffy-type ornaments, etc. Use a needle to start the paper coat peeling off the adhesive—the adhesive tends to tear off the foam. Pack of 25.
