Afghans

Diamond Afghan

Diamonds are forever. A large diamond center for stitching gives this 18 count afghan its name. Corner triangles of the 29" x 38" central area are a basket weave pattern. Rectangular stitching areas border the central area. 100% polyacrylic. Overall size 48"x57". (Zweigart 1826).

Anne Cloth

Probably the most asked for afghan fabric, Anne Cloth has been used in dozens of patterns in magazines and books—and with good reason! It is great looking and easy to stitch on. 45"x57" afghan cut (7 pattern squares wide by 9 squares long). Each pattern square has a 5"x5" 18 count stitching area. Shown with added lace trim (not included). From Zweigart.

Cotton
