

Wonder Marker

Felt tip marker that disappears with cold water. Test fabric before using. Wash out before ironing as heat will "set" the markings.

7261 Wonder Marker **\$3.20**

Air Erasable Marker

Felt tip marker that fades away in a few days without water, or will disappear immediately with water. Test fabric before using.

8568 Vanishing marker **\$3.20**

Transfer Pencil

Create your own iron-on transfers. Test fabric before using.

7701 Transfer pencil 2.40

Glue Stick

Handy adhesive in a tube. Water soluble. Made for fabrics, but also works on paper. We use it to close the back of the needlework cards.

7702 Glue Stick 2.50

Fine Line Water Erasable Marker

Pinpoint tip marking pen that produces a very fine thin line. Makes a bright blue mark that is easily removed with plain water (we recommend washing out before ironing as heat will "set" the markings). As with all markers, test fabric before using.

2697 Fine Line pen 4.30

Fine Line Air Erasable Marker

Fine point marking pen with a bright purple mark that will vanish without washing. Do not iron over marks as it will set the marks and they cannot be removed. Test fabric before using.

Tacky BOB

Tacky Bob is a unique colorful beading accessory. Inside the acrylic box, both top and bottom areas are covered with an acid-free tacky surface. Just pour your beads on and never worry about spilling again. Since they're 'stuck' on there... you just pick up each bead with your needle as you need it. Foam outer bottom keeps Tacky Bob from slipping around. A good place to pour and work with your beads. Complete with a magnet strip to hold your needle when re-threading. Perfect for travel or at home. Assorted colors. From Flying Needles.

8795 Tacky Bob, assorted colors **\$8.00**

Bead Caddy

Organize your seed beads in separate lidded compartments with these two handy caddies from LoRan. Two sets of labels and a see-through design make bead identification a snap. Bead Caddys may also be stacked for easy organizing. USA.
