

Needlework Finisher

Wide Mouth Jar or NEW E-Z Open Bottle

Needlework Finisher is a clear drying water-base sealer for needlework from Yarn Tree. Used primarily on small items that will be handled. Create "cross stitch in motion" ornaments, jewelry, Christmas ornaments, gift tags, etc. Also makes an excellent general adhesive. We recommend it for assembly of the Olde Time Santa and Snow Folk kits. Needlework Finisher is a product that every shop should keep in stock. Instructions for use are on the label of each 8 ounce bottle. Made in the USA.
