

Graph Paper

Graph Paper makes it easy to make your cross stitch designs. School logos, special occasion mementos, your home, or special sayings are just a few ideas for charting your own! Use the tracing graph paper to make a graph from a photo or sketch. Just trace the different colors; then go back and put in the color codes! All of our graph paper is printed with black ink so you can easily make copies of your finished design. 8½"x11" pads.

- 2521 10/12 Graph Paper. Pad of 24 sheets (12 sheets of 10 count and 12 sheets of 12 count) 3.00
- 2522 10/12 Tracing Graph Paper. Pad of 18 sheets (9 sheets of 10 count and 9 sheets of 12 count) Printed on special paper that is strong, yet still transparent enough to trace through. 4.00
- 8161 14/18 Graph Paper. Pad of 24 sheets (12 sheets of 14 count and 12 sheets of 18 count) 3.00
- 8162 14/18 Tracing Graph Paper. Pad of 18 sheets (9 sheets of 14 count and 9 sheets of 18 count) Printed on special paper that is strong, yet still transparent enough to trace through. 4.00

Transgraph-X

Transgraph-X is the design-your-own counted needleart kit for creative customers who "just can't find the right pattern." The sturdy, clear plastic grid overlays help convert photos, drawings, or designs into counted needleart charts. Kit includes six graphs plotted 5, 11, 14, 18, 22, & 25 squares/inch; instructions.

Bestway Floss Holders

Plastic floss holders for you to wrap your floss around. Color number goes on a sticker on the holder. 2¼" tall and 2" wide. From Jeanette Crews Designs.

- 7398 Floss holder and ring. Packed 12 floss holders and key ring in a plastic ziplock bag. 2.60
- 7399 Pack of 50 holders and stickers in polybag. 8.20
- 8790 Pack of 100 holders and stickers in polybag 16.00
- 7397 Bulk pack of 1000 holders 148.00

Floss Keys

Each floss key has a tab that holds the floss number band. All you do is trim the band and slip it onto the floss holder. No more labels to stick on. No more numbers that you can't read.

The Floss Keys measure 1 5/8" tall by 1½" wide. Plastic is the most durable, but even our chipboard keys are strong—they are made from 10 ply chipboard (that's 50% heavier than most other brands) and have a coating on both sides to help keep them clean. From Yarn Tree.

- 3275 Plastic floss keys, pack of 25 2.50
- 3283 Plastic floss keys, pack of 500 40.00
- 3271 Chipboard floss keys, pack of 25 2.00
- 3279 Chipboard floss keys, pk of 500 32.00

Zip Project Bag

By Consumer Request. A 10"x13" ziplock heavy plastic bag that your customer can use to store a book, fabric, floss, and other accessories necessary for a specific project in one easy-to-use bag. Perfect for storage and can be tossed in a drawer until the customer is ready to stitch that project. Inexpensive, too. Suggested retail price shown.
