

Ort Collector

Eliminate lost needles in the arms of your favorite chair! Get these cute little sewing caddies to sit on the arm of your chair or edge of your table to put thread ends into and store your needles. Pouch is attached with Velcro for easy removal to empty when filled with waste thread ends. Made of 100% cotton in assorted fun colors. From Flying Needles.

Thread Straighteners

Get rid of those kinks and twists in synthetic threads such as metallics, silks, rayons, and ribbon floss by using these 4" foam wrapped thread straighteners. Simply wrap an end of your cut piece of thread around each straightener and pull apart gently, slightly stretching the thread between the two straighteners. You will feel the thread relax and then you are ready to stitch. It really works! Assorted bright colors. From Flying Needles.
